

Carolina Trace Volunteer Fire Department Mailbox Sign Program

The Carolina Trace Volunteer Fire Department (CTVFD) provides green reflective house number signs at a cost of \$20.00 or \$25.00 each (installed) for the mailboxes within the Carolina Trace community.

In addition to emergency services (fire department, EMTs), other local delivery drivers and visitors have expressed their appreciation of having the visible sign indicating the house location.

To order your sign, complete the form below and submit it along with a check payable to "CAROLINA TRACE VOLUNTEER FIRE DEPARTMENT" at the Carolina Trace Volunteer Fire Department Station (37A Indian Trail, Sanford, NC 27330 - accessible either from within CT or off NC 87).

Questions can be directed to Chief Meyers at email: ctvfd.chiefs@gmail.com or call (919) 499-5811.
